Applicants are in receipt of a notice of Acceptance of Application under 35 U.S.C. 371 dated April 17, 2002, for the above application. However, the items listed on the Notice of Acceptance as having been received by the USPTO do not include the Priority Document.

Applicant is in receipt of Form PCT/IB/304 for this application (PCT/KR01/00704) which indicates that the priority document for this case (Korean Patent Application No. 2000/22558, filed April 27, 2000) was submitted or transmitted to
